

THE PETALUMAN

Branch 58 Newsletter – June 2022

Big SIR Report

Sir Jerry Pagnusat

Summer is almost here, and the days are getting longer. Love this time of year. Bocce will be starting up June 23rd, the Thursday after our next luncheon. It's at Leghorn Park back by the tennis courts. We start at 10:00. Contact me for more info at 707-481-9003.

Our speaker for the May meeting was quite interesting. Benita and her husband Pete Mattioli had some fun stories about the Famed Condor Club and what was happening at the time in San Francisco. Len's guests' last name is Mattioli. He and Pete spoke, and they are not sure if they are related or not. Another guest possible new member Joe Giammattei grew up in the same neighborhood and knew some of the same people.

I would like to reach out to anyone who wants to help keep our great group going into the future. Please let me know if you are interested in joining our management team. Anyone is invited to our Branch Executive Committee meetings we have at 10:15, the morning of our luncheons. Look forward to your participation.

Little SIR Report

Sir Jerry Pozo

Good Morning Brothers & My Fellow Petalumans, May has opened our community up to many things, mainly being back around others more frequently indoors and out.

On June 21 we will have a talk on our airport by: Barry Lawrence, who was involved with the original Airport Committee, and Tom McGaw, a Ground School Instructor back in 1985 when Barry started flying. This will be a very interesting overview and discussion on our Petaluma Municipal Airport, so please bring questions or comments.

Does anyone have a desire to be our trip/tour manager or co-managers for our group? And if not, perhaps we should consult other branches to get in on future outings and tours.

I have been a member of the Petaluma Village Network this year. It started back in 2004 and has gained national attention for active adults 50+.

Please look at their worthwhile website:
www.villageNetworkofPetaluma.org

Please let me know if you have any ideas for future club speakers.

Sunshine Report

Sir Len Svinth

As I write the "Sunshine Report", I think back to the last meeting and am so thankful for having many good friends. I have a plaque hanging on our deck.

It reads, "Friends are the flowers in the garden of life" This was given to my wife and I by Bud and Jean Nelson some time ago. That statement is still true among all the guys at SIRS 58. As of this report I have not heard about problems in our group. However, I ask that you look at our membership booklet and call a friend who was not at the last meeting. Keep up the effort, See you soon.
